FY 2019 Bonus Metrics underway on July 1st

A huge THANKS to the FY19 Bonus Committee for all of their hard work and time on this year’s bonus: Scott Manning, Jennifer Hannon, Kevin Lopez, Megan Waters, Soo-Ok Kim, Kelley Clark, and Amanda Eggert! It is a tough job to create a structure that rewards and incentivizes all of our initiatives with fairness and equity.

I wanted to bring a few things to your attention so you don’t miss out on the points.

- Metric 6: When you stay to finish your case at the end of the day, please make sure that you document it in SLACK (special SLACK channel coming soon) with the date and room number.

- Metric 18: At the end of each month, please make sure your E210 and your spinfusion match. If you have any questions please see your Lead first, and then ask Alexandra. Helpful Hint: update on a weekly basis so you don’t forget at the end of the month.

- Metric 19: The Didactic-OR is due by 12/31/18. Helpful hint: do one now so you don’t forget.

- Metric 24: Make sure you sign the SLACK pledge by 9/31/2018 to earn the points for your commitment to SLACK. Here is the link: https://goo.gl/forms/5Be7sCtaSWdC3erR2

The goal is that everyone will earn 100% of the bonus. Set your goals now, make your plan and chart your progress throughout the year. Work with your Lead CRNA if you have any questions. Here’s to successful FY19!
ICYMI: Highlights from CRNA Division Meeting on 6/21

- Gratitude was given to all of those who have worked supplemental shifts! Here is a snapshot of the totals: May 84 Shifts; June 89 shifts; and so far in July 45 shifts (but is it still early). Thanks!
- Staffing Update: 4 new hires coming between now and October, 4 casual CRNAs coming between now and August, and 5 new agency CRNAs are in the credentialing process.
- Vacation Par Discussion: Our greater goal is to allow time off so everyone can go away on vacation and conferences. We need to work together to make this happen. One idea discussed was to be mindful of scheduling doctor’s appts or CEU home study days on track days. Please consider doing these on your days off.
- Policy Updates are posted on the CRNA intranet. There were only minor clarifications from last year.
